Subject: Monsanto CEO Meeting with Administrator Pruitt - June 21st

Ryan: Monsanto CEO Hugh Grant will be in DC meeting with Congressional Members and Secretary Perdue on June 21st. I would love the opportunity to set Hugh up with you and Administrator Pruitt during this visit if it works for his schedule. He is available from 11-3:30 on the 21st.

Please let me know if I should include others in the Administrator's scheduling operation.

Thanks for your consideration.

Rob
